

Finding your perfect nanny

full time ▪ part-time ▪ casual ▪ before & after school

SUGGESTED INTERVIEW QUESTIONS

- Why do you want to look after children?
- What do you see as your primary role/responsibility when being a nanny?
- How do children respond to you?
- Give me an example of a tough situation with a child you have cared for and how you dealt with it.
- How do you communicate with the parents of the child/children you are looking after?
- Give me an example of a typical routine of your day when you are looking after children?
- What sort of activities do you like to do with the child/children you are looking after?
- How would you handle a situation whereby both parents told you a different way they wanted something done with the children?
- How do you go about disciplining any children you are looking after?
- What are your personal interests/hobbies?
- Why should we hire you?

You may wish to ask some more specific questions on the philosophies of the potential Nanny on such things as TV watching, what constitutes healthy food, snacks/treats, discipline and so much more.

You could also ask lots of questions on safety e.g. SIDS, emergency procedures, first aid, driving and more.
